MEMO ENDORSED

Re: *Echo Bay Pharmaceuticals, LLC, v. Torrent Pharma, Inc.*;
Case No. 1:20-CV-06345-BCM

Dear Judge Moses:

We represent Defendant Torrent Pharma Inc. and write to respectfully request that the Court extend the March 25, 2021, deadline for the parties' next status report to March 29, 2021. Undersigned counsel will be out of the office next week spending time with family who are visiting, and accordingly requests that the Court extend the deadline to the following week.

Plaintiff Echo Bay Pharmaceuticals does not oppose this request. No previous requests to extend this deadline have been made.

Respectfully submitted,

s/ Ben D. Kappelman
